

Dear Supporter of Foothills Country Hospice Society,

Foothills Country Hospice is a palliative medical facility where people with a terminal illness reside and are cared for during the last two to three months of their lives. We officially opened our doors in January 2008 and are in our fourth year of operations.

During these first years we have been privileged to provide care, comfort and support to almost 300 patients and their loved ones. There are no fees for patient care at the hospice.

As a registered, non-profit organization the hospice is regularly challenged with meeting our operating costs. The Board of Directors must raise approximately \$500,000 annually in order to do so. Events such as our upcoming Mardi Gras Gala, golf tournaments, individual and corporate donations, memorial donations, government grants and other fundraising events in the community continue to sustain us.

We are most grateful for the unwavering support of individuals and businesses from the community of Okotoks, the surrounding Foothills Region and the greater Calgary Area.
