About the Hospice

The Foothills Country Hospice (FCHS) is a volunteer driven; donor supported not for profit organization founded on providing exemplary end-of-life care and compassion to residents and their loved ones. Through the support and creativity of people like you, we have cared for more than 1,600 residents and their loved ones since January 2008 when we opened our doors.

Alberta Health Services (AHS) contributes 56% towards covering our annual costs, and we are challenged with raising the remaining \$1.3 million shortfall.

Our Facility

Our eight bed, 13,500 square foot facility is located 1.5 km north of Okotoks on an eight-acre parcel of land with beautiful mountain, prairie & Okotoks views.

Resident rooms are private, spacious and tastefully decorated, featuring a specialized bed, private phone, closets, satellite TV, Wi-Fi, fridge and a dedicated space for personalizing the room with familiar decor and objects.

As well every room includes a pull-out Queen size hide-a-bed & recliner.

Meals are prepared on-site at no cost to residents. In addition to our full kitchen and dining area, we have a common living room, resident spa, family room and guest suite.

Outdoors, you will find a meditative labyrinth, trickling waterfall, forested walking paths and a multitude of gardens.

Our Care Philosophy

Our professionally trained staff & volunteers provide around-the-clock end-of-life and bereavement care. Attention is paid to physical needs, expert pain & symptom management, emotional & spiritual well-being, and bereavement support as residents prepare for the completion of their life's journey.

The focus of our care is holistic, comfort care, compassionate with dignity & respect.

We welcome resident and family input into all aspects of our program.

All the staff and volunteers at the Foothills Country Hospice deeply appreciate your support. We believe in providing exemplary care and compassion for those we serve and are most grateful to all our donors and community partners who share our vision. Together we are making a difference for hospice palliative care in the Foothills.
