

You belong here.

No matter your gender identity or expression, sexual orientation, religion, ethnicity, age, neurodiversity, citizenship, or any other aspect which makes you unique, you are welcome at Foothills Country Hospice Society (FCHS). At FCHS, we want all our employees, residents, visitors, and volunteers to feel valued, appreciated, and free to be who they are. That is why:

- We take the broadest possible view of diversity.
- We value the visible and invisible qualities that make you who you are.
- We welcome everyone bringing a unique perspective and experience to advance our mission.
- We commit to using diversity, equity, and inclusion practices in our operations and dealings with the community.
- We believe in the inherent benefits of an inclusive and diverse organization that recognizes, embraces, and values all forms of diversity.
- We strive to remove barriers to inclusion in all aspects of our organization and service delivery so that we may support, strengthen, benefit from, and contribute to the richness and complexity that is our community.
